### **Advance Imaging of Tulsa Signs Revenue Cycle Services Agreement with Bristow Medical Center/Endeavor Healthcare**

**Tulsa, Oklahoma (September 20, 2010)** – Advance Imaging of Tulsa has agreed to a two year agreement with Bristow Medical Center and Endeavor Healthcare to provide revenue cycle management services. Under the terms of the agreement, Bristow Medical Center/Endeavor Healthcare will provide all billing services for the facility and will work closely with the Advance Imaging team in every area of billing and collections.

“Bristow Medical Center and the Endeavor Healthcare team have the experience and knowledge that we need to continue to improve the billing aspect of our operation. Our imaging center will benefit from affiliating with an organization that has such great people with tremendous resources and expertise”, stated Joel Derington, Director of Marketing and Operations for Advance Imaging of Tulsa.

Bristow Medical Center and Endeavor Healthcare will provide comprehensive billing services for the Advance Imaging and work with the team to improve all aspects of registration, billing and collections. “Advance Imaging of Tulsa has been a leader in outpatient imaging services in Tulsa for many years. We are blessed to be working with them for their billing and collection needs. We are eager to get started and add to what is already a great operation”, stated Jan Winter, Chief Executive Officer, Bristow Medical Center and Chief Operations Officer, Endeavor Healthcare.
